

Yosemite International Airport Community Participation Plan

1. Administration

The purpose of this CPP is to ensure that stakeholders or communities affected¹ by Yosemite International Airport- City of Fresno (FAT) projects or operations can be informed and participate and have their input thoughtfully considered in the key stages during airport planning efforts, regardless of their race, color, national origin, sex, sexual orientation, gender identity, creed, age, or disability (hereafter, the “protected bases”). This plan is provided in accordance with Title VI of the Civil Rights Act of 1964 (Title VI) and related authorities.² This plan and associated reports regarding our CPP efforts will be communicated to the public in formats accessible to persons with disabilities and to limited English proficient (LEP) individuals.

The individuals primarily responsible for implementing the FAT CPP are:

Responsible Official	Title, Office, and Responsibilities
1. Cristal De La Torre	Title VI and ADA Coordinator
2. Vikkie Calderon	Airports Marketing/PR Coordinator

Responsible officials’ contact information is shared with the public through the following methods:

Website³, In-person, and Other Communication Methods

1. https://flyfresno.com/civil-rights/
2. 4995 East Clinton Way, Fresno, Ca 93727
3. Posted in all Public Areas of Airport

In addition, FAT will ensure that members of the public are advised of our nondiscrimination obligations. This includes how to file discrimination complaints with FAT and the FAA. We will also conspicuously display the FAA-provided Unlawful Discrimination Posters at airport facilities. See Notice Section of City of Fresno’s Title VI Plan.

¹ Within this CPP, the term “affected” also means *served*, in addition to *positively or negatively impacted*.

² Related authorities include the Age Discrimination Act of 1975; Sec. 520 of the Airport and Airway Improvement Act of 1982; and the Civil Rights Restoration Act of 1987.

FAT also makes this CPP available through the following methods when engaging members of the public concerning planning efforts:

⁶ Potential representatives include chamber of commerce, environmental advocacy groups, business leaders, and labor groups. These representatives should have a close association with the community, with particular emphasis on connection to racial and ethnic minority groups within the communities, including limited English proficient

4. Effective Communication

FAT will ensure that public engagement is effective, meaningful, and free of linguistic, economic, historical, and cultural barriers to participation. Every effort will be taken to ensure clear, plain, and effective communication with Affected Communities, including ensuring materials are in accessible formats for persons with disabilities and in languages other than English. See Limited English Proficiency (LEP) section of City of Fresno’s Title VI Plan.

5. Communication Platforms

Diverse communication platforms will be utilized to effectively reach the broadest audience. We will use the following platforms to communicate project details, our nondiscrimination obligations, and points of contact for the public to share project or operational feedback with our office and the FAA.

Records for demographics of participants will also be kept. Requested demographic information will include race, national origin, sexual orientation, gender identity, creed, age, disability, languages spoken, and community membership.⁹ Demographic information will be requested by the following methods: =

Demographic Information Collection Methods

- | |
|---|
| 1. Census Bureau Information |
| 2. EPA Census |
| 3. Fresno Council of Governments |

CPP records will be made available to the public using the same methods for other information outlined within this plan.

7. Reporting Outcomes

Within 30 days of the end of each fiscal year (FY),¹⁰ FAT will create a CPP Report for the completed FY. The report will summarize efforts taken under this CPP in a narrative statement describing:

1. The specific steps taken to produce meaningful engagement with Affected Communities for the completed FY,
2. The results of those efforts for the completed FY, and
3. How the Affected Communities’ comments and views are or will be incorporated into the decision-making process.

The CPP Reports will be included with City of Fresno’s Title VI Plan. If no current Title VI Plan exists, the CPP Reports will be added to its Title VI Assessment for each grant.

⁸ *[If adding a website, include the relevant webpage location address]*

⁹ This information is solicited to demonstrate compliance with Title VI and related requirements. See 49 CFR § 21.9(b); 49 U.S.C. § 47123; 28 CFR § 42.406; and FAA Order 1400.11.

¹⁰ The first report is required after the first complete fiscal year, after this plan is adopted. Information for activities during a partial year immediately following adoption of the plan will be included with the first full year’s report.
